weekend. Congrats to ALL involved.

The Futurity and Derby featured incentives to those horses holding a PQHB Certificate (purchased through a past PQHB Sale). Winners of the incentives in the Derby were 1st - Jacqueline Hoover on Profits Julianne, and 2nd - Daniela Symak on ZS First Fire. In the Futurity, there was only one entry. Does Silverado Sandy, owned by Terry Laye & Lisa Groves, ridden by Terry Laye. This horse was also the only PQHB eligible horse shown in the Team Roping Futurity - taking home \$2500 in cash and two beautiful buckles.

In addition to the Futurity and Derby, The Second To None slot race was held, and featured some of Canada's toughest competition from both professional and amateur ranks. The tough slot race was won by NFR qualifier, Traci MacDonald on her horse, Copy N Paradise.

A huge thank you to our major sponsors, Vantage Trailer Sales, Fred Thoe Construction, and First Rate Distributors IOLS Minerals, and also to all of the other sponsors and volunteers that made this event possible!
